ATHLETIC HANDBOOK

PERSONAL TESTIMONY

Knowing Christ as personal Savior is a prerequisite for a being a coach at ECS. Skill in coaching is very important but more important is the coach's relationship with the Lord Jesus Christ. One can only give out what one possesses. Therefore, to approach coaching from a biblical standpoint, the coach must know Christ as Savior.

APPLICATION FOR COACHING

To be a coach at ECS, the Coach's Application is to be filled out and submitted to the Athletic Director. A conference will then be held to discuss the position. Upon acceptance, the Coach's Contract is to be filled out, signed, and given to the Athletic Director.

COACH'S Demeanor

ECS recognizes the physical, social and moral degradation associated with the use of alcohol, tobacco, drugs, participation in sex outside of marriage, living with the opposite sex unmarried, non-support of family, gambling, and indecent language. The use of any of these substances or participation in any of these acts at any time, on or off campus, is expressly prohibited while a coach at ECS. If such should occur, it will be necessary for the administration to discontinue the coach's association with the team or if known prior to association, the application will be denied.

At games, the coach's conduct is to be above reproach.

With the athletes, the coach is to:

- Instruct the athletes to address of him/ her as "coach" plus last name.
- Begin each practice with devotions.
- Begin each game with prayer.
- Set the team standards high and expect each athlete to meet them. Be in charge.
- Be a friend but not a buddy. A professional attitude is to be maintained at all times. Athletes do not automatically respect a coach. Respect has to be earned.
- Listen when an athlete needs to talk. A problem may exist that merits extra consideration.
- Be a role model as to how problems should be faced and solved.
- Be consistent and fair. Have no favorites. This is very defeating to the other athletes.
- Be positive, even in difficult situations where there is disappointment with the team's performance or conduct. Make certain that the words you speak and actions you take result in profitable learning for the athletes.
- Refrain from using words that have double meanings
- Refrain from physical contact (male coach) with female athletes

TOURNAMENTS

Periodically throughout the year, the school will sponsor tournaments. The proceeds will be placed in the school's sports fund for use in their sports program. Attached are the guidelines and financial sheets.

TEAM PHOTOGRAPHS

Team photographs will be scheduled and taken by a photographer designated by the Athletic Department. All players must be in uniform when these photos are taken. Only players, coaches, and managers are allowed in the team photos. Every effort will be made to ensure that all players are present for the picture.

EQUIPMENT / UNIFORMS

EQUIPMENT CARE

The sports' equipment is expensive! It is to be guarded and accounted for after each practice and game. At no time is equipment to be left at the game site. Leather basketballs are to be used **inside only**. When running on the bleachers the players are to run with running shoes, not cleats.

UNIFORMS

The school will purchase all uniforms. Each team will receive new uniforms on a three to four year rotation schedule. New styles do not justify a need for new uniforms. Whenever possible, Varsity and Jr. Varsity uniforms will be identical allowing for flexibility in sizing.

The uniform is loaned to the athlete, and he/she is responsible for its care. It is to be cleaned for each game. Impress upon the athletes to wash the uniform properly. They are to be washed alone with a mild detergent and line dried – NEVER put uniforms in the dryer. Failure to follow these guidelines will require replacement payment by the athlete as determined by the Athletic Director.

UNIFORM DISTRIBUTION AND RETURN

Fill out completely the **Uniform Distribution and Return** Form when uniforms are issued to the players and returned. Have the athletes bring a change of clothes to the final game, change, and turn in uniforms immediately. Return all uniforms and the **Uniform Distribution and Return Form** to the Athletic Office.

It is the coach's responsibility to collect and return ALL uniforms prior to receiving the coach's stipend.

PRACTICE FACILITIES

Practice facilities are scheduled according to season. For multi sports in/on one facility, cooperation and careful scheduling is necessary. It is the responsibility of the varsity coach to coordinate practice times for each of the sub-level teams.

Off-season sports may schedule open gyms through the Athletic Department.

CARE OF GYM AND FIELDS

After each **practice** and **game**, the coach is responsible to help the athletic personnel and maintenance department by instructing players to help put chairs away, field equipment, empty water coolers, remove all clothes and personal effects from the field and bench areas, clean locker rooms, pick up trash on field or court, etc. The gym and fields are to be left clean and neat. This will teach the athletes to have ownership of their equipment and facilities.

During practices and games, no food may be eaten in gym. No open containers are allowed.

LOCKER ROOM

The coach is to be present in the locker room while the athletes are dressing for practice and after the practice. The conduct of the athletes is to be orderly. No loud yelling or horseplay is to take place. During practices and games, the athletes' books, clothes and valuables are to be locked up in the locker room. No player is allowed to leave the locker room until the locker room and restroom are clean and free of clothing and trash. Each coach is responsible for keeping the locker rooms clean.

SETUP AND TAKE DOWN

Please help the athletic personnel and maintenance at our home events and instruct players to help put chairs away, field equipment, empty water coolers, clean locker rooms, pick up trash on field or court, etc. This will teach the athletes to have ownership of their equipment and facilities.

PRACTICES

PRACTICE ON WEDNESDAYS

All Wednesday practices must end at 5:30 p.m. to allow for church attendance. If a student has a youth event to get ready for, they cannot be punished for not practicing on Wednesday's due to church activities.

PRACTICE PATTERNS

For consistency, the varsity coach for each sport will establish the basic practice patterns for all of the teams to follow. Adherence is required.

PRACTICE REGULATIONS

Practices must include prayer. Coaches are to be certain the gym and locker rooms are left clean and orderly. Gum may not be chewed at an on campus practice or game nor on the bus at an away game.

Non-team members are not to be in the gym during practice. The coach is to ask them to leave. Outsiders are not to be involved unless invited by the coach. Visitors are to abide by ECS standards while on campus. For sports played in the gym, team members are to be in the gym and in the vision range of the coach at all times. Loitering outside of gym or away from coach's supervision is not permitted. For sports played outside, athletes are to always be in the vision range of the coach.

After an off-campus practice or game the coach is to remain on campus until all team members have left. He/she is to be aware of who is picking up the students after practice. If something seems amiss, it is to be reported to the A.D.

No prior athlete who has been asked to withdraw or has withdrawn with disfavor from ECS may practice or be in the gym during practice.

Wednesday afternoon practice is to be over by 5:30 p.m. Practice that occurs on the day of a school activity (banquet, concert, etc.) in which the athlete is to participate is to be over at a reasonable hour to allow the athlete time to prepare. The Athletic Schedule is to be flexible to allow time for Fine Arts and other school activities in which the students participate. Conflicts in scheduling are to be resolved by the Athletic Director, coaches, and teachers without penalty to the student.

PRACTICE OF NEXT SEASON SPORT

An upcoming sport may be promoted or practiced as long as it does not interfere with the current sport season. If an upcoming sport needs to start practicing before the current one is over, the coaches are to meet with the Athletic Director. The athletes' parents are to be notified two weeks in advance, if the athlete is to participate in two practice schedules. If the practice of the upcoming sport is in the evening after the current season's practice, the coach must make allowances for academics and other conflicts. The upcoming sport may not practice players from the current sport during preparation for Districts or any of the advanced stages until the current season ends.

TRAVEL

NIGHT GAMES (AWAY)

Athletes are to remain in the gym during the entire time they are at an away game. Athletes are to inform their parents in advance of the time they will be returning to the ECS campus. Pickup is to be immediate. After an away night game, the coach is to remain at school until all of the athletes have left.

OUT-OF-TOWN GAMES ON SCHOOL NIGHTS

It is customary for a team to stop at a restaurant after an out-of-town game. It is important that the players arrive on campus by 11:00 p.m. on a school night.

Any team or group on a designated ECS activity that arrives back at school after midnight on a school night will be excused from first period the next day. Any assignments, quizzes or tests, due first period must be completed and turned in on that day. Any student arriving after the start of second period will be considered unexcused.

INFORMATION BULLETIN

Prior to an overnight trip or leaving for camp, an Information Bulletin is to be published for the benefit of the athlete and the parents. The information is to be given to the A.D. for approval and printing.

OVERNIGHT TRIP EXPENSES

Overnight trip expenses (hotel, entry fee, food, etc.) can be shared equally by the participating athletes or paid for out of the team's fund. ECS will reserve and pay all costs deemed necessary for transportation during district, regional, and state competitions

BUS MAINTENANCE

The buses are a very vital part of the school's program. Teams using the buses are to respect them. No abuse of the interior is to take place. If such should occur, the coach is responsible for seeing that the perpetrator pays for the damage. No gum chewing is to occur on the bus. On away trips, enough time is to be allowed for eating in a food establishment.

Upon return to campus, the coach is to inspect the interior of the bus, making certain it is clean. If dirt and sand are obvious, it needs to be swept and seats wiped. The same buses that serve the athletes also operate on the bus runs. With each group cooperating, the buses will always be clean and ready for use by both groups.

BUS CLEANING

It is the responsibility of the coach to make sure that everything is cleaned on the bus before he/she leaves. Nominate a few players to pick up the trash, sweep the floor and empty the trash. Do a thorough check before your students leave.

TRANSPORTATION TO AND FROM GAMES

Athletes must ride the bus to and from an away game. An athlete may return home with his/her parent but not with friends. Coaches are to enforce the following guidelines on the bus:

- Use of Ipods, MP3 players, & CD's are allowed upon the discretion of the coach.

- Talk is to be quiet.
- Rowdiness is not allowed.
- Athletes who disturb others will have assigned seats.
- Girls need to sit in the front and boys in the back on both sides.

- While the bus is in motion, athletes must be seated.

- At least one, preferably two, coaches are to be on the bus to supervise. Do not depend on parents to take care of discipline problems.
- After an out-town-trip, the athletes are to clean the bus (sweep, wipe seats, pick up clutter).
