Sophomore Retreat

Permission and Medical Release

I give permission for my child to travel to Bradenton, FL for the Sophomore Class Retreat. I authorize the school's authorities to obtain any emergency care that may become necessary for the student in the course of school activities or travel on the date of November 13, should the need arise. I guarantee payment of all charges incurred for such care and treatment for the named student. Furthermore, I hereby absolve the school from any and all liability in the course of school activities and travel.
