

Welcome Sentinels to the 2023-24 school year, I am **ECS**static about this year and looking forward to the success that our student athletes will experience. Please find important information below for this upcoming year.

1. ECS Sports Website: www.ecssports.org

Our ECS Sports Website is the main hub for all athletic information and we would encourage you to go check it out!

2. Game Schedules

The fall season game schedules are available on the ECS Sports Website. When you go to the website, click on "Teams" in the menu bar at the top of your screen. Select the gender, then select the team that you are looking for. The game schedule will be located on the "schedules" page of that team. Please remember that schedule changes happen often. These schedules will be updated as changes are made. Please refer to the date on the top left corner of the schedule to ensure you have the most up to date version.

3. Try-outs and Practice Schedules

If your child is interested in trying out for one of our teams throughout the year we would encourage you and your child to reach out directly to the coach. This is a great way for your child to learn responsibility and communication skills. Practice schedules will be distributed by the coach of each team. They will not be posted on our ECS Sports website.

4. Tickets

Tickets for all home games will be available to purchase online through Go Fan. Tickets will open at the beginning of each week.

We also have an "All Sports Pass" that is available for purchase on Go Fan. This pass will allow you in to all **regular season home games**.

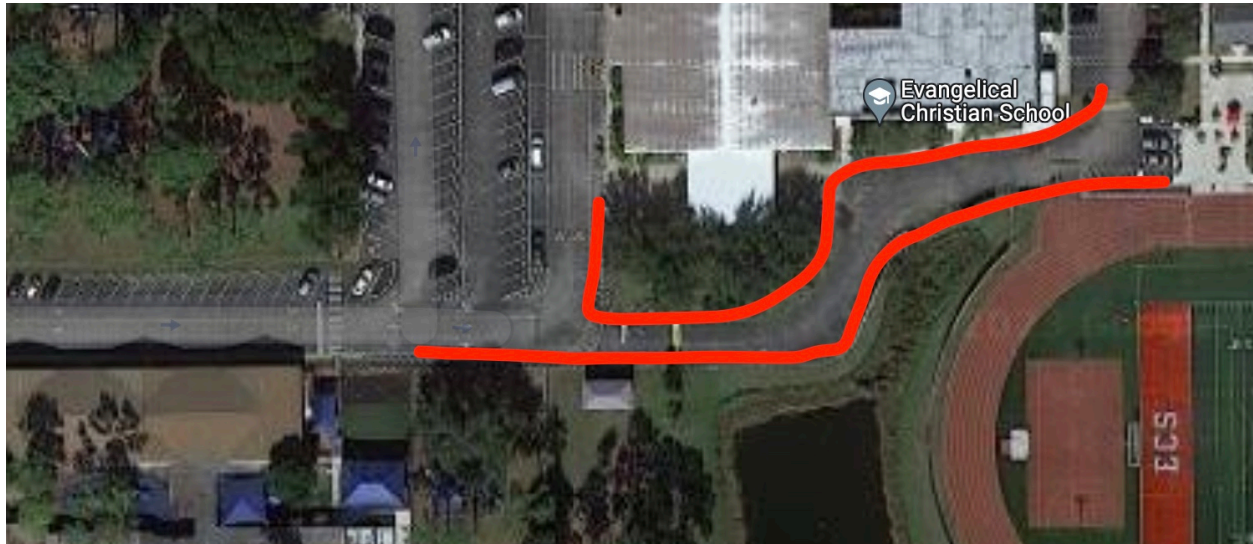

The pass is not valid for district, regional or state competitions!

5. Athletic Clearance

As a reminder, all athletes as of June 1, 2023 must have a clearance for the 2023-2024 school. Please check your Athletic Clearance account to see the status of your child. If you have questions regarding your child's athletic eligibility you can email our Assistant Athletic Director, Jessica Everhart at JEverhart@goecs.org

6. Parking

When you are picking up your student from practices or if you are on campus for games, please **DO NOT PARK** in the area we have highlighted in red. This creates a lot of congestion and this is also the area that is used for emergency vehicles.

7. Social Media

The ECS Athletic social media pages are a great way to stay up to date on all that is happening. Follow us on Facebook, Twitter and Instagram @ECSSports

The ECS Athletic Department is looking forward to a great year as we
