Financial Information for 2026-2027

This is for a "rolling admission" program where the student starts classes anytime between June 1, 2026, and May 31, 2027.

Registration

Full-Time Students:

This *non-refundable* and *non-transferable* annual fee is due at the time of re-enrollment for present students and at the time of application for all new students.

Description	Through January 31, 2026	After January 31, 2026
Re-enrolling Student	\$210.00	\$420.00
New Student	\$420.00	\$420.00

Beginning with this re-enrollment, Parent understands he or she is entering into a legally binding agreement with ECS; that the terms and conditions of this agreement are set forth below; and that this agreement extends until the high school graduation of the Student from ECS or the termination of this agreement as provided herein.

Accordingly, the term of this agreement shall be in effect for the 2026-2027 academic year and shall renew automatically for each successive academic year until high school graduation from ECS, unless and until this agreement is terminated by ECS or the agreement is terminated by the Parent by submitting a withdrawal notice on or before January 16th, 2026, via the online Withdrawal Form found on the ECS website at www.goecs.org under the Admissions tab. The student's account will be charged the re-enrollment fee of \$110.00 on January 17th, and it will be due by January 31st, 2026. If your incidentals account is set up for autopay, the payment will process on January 31st. If the payment is not paid by January 31st or does not process and/or is returned, the student will be marked as not re-enrolled for the 2026-2027 school year. If the Parent wishes to re-enroll the student after this date, the fee will increase to \$220.00. This re-enrollment fee is nonrefundable.

1) Tuition

NOTE: Tuition rates include the Security Fee:

Full-Time Students:

Grade Levels	Annual Tuition
9 th -12 th	\$5090
K4-8 th	\$4280

Full-Time Tuition is due prior to the start of classes, but may also be paid in the following manner: **If not paid in full in advance, the Initial Payment will be \$1000.00 for all grade levels due on July 1st. The remaining balance will be billed in equal monthly installments in amounts required to ensure the entire amount is paid in full by April 1st of each year.** All payment plans will be managed by FACTS Tuition Management. Payments will be debited automatically from your checking/savings account or charged to your credit card on the 5th of each month. If you choose to pay annually, the fee is \$25 per family per year from FACTS. If you choose to pay tuition monthly, a \$55 annual fee per family will be applied by FACTS. Your tuition account will be charged on the first business day of each month. Once charged, the amount becomes *non-refundable*. Regardless of grade level, all tuition rates are per student; there are no discounts available (such as prepayment, multi-child, alumni, staff, etc.).

For Grade Levels 9th-12th: Tuition rates apply to a maximum of *seven* classes per semester (for more than seven classes, please contact the Admissions Office for rates). The above rates are for seven (7) classes, not six (6), as is typical for the lower grades or other schools. ECS Online Academy requires seven classes in order to meet the credit requirement for a diploma. The standards for an ECS diploma are higher and more rigorous than those of almost any other school; therefore, there is a need for an additional class load.

For Grade Levels K4-8th: Tuition rates apply to a maximum of *six* classes per semester (for more than six classes, please contact the Admissions Office for rates).

Important Notes:

- **The online curriculum is written for a 10-month school year. Please know that if the student does not complete the course work by the end of their 10th month, there will be a curriculum extension fee charge of \$600.00.**
- **Should a student complete their course requirements prior to 10-months, *all* remaining tuition and fee charges will become due and payable. A student may not proceed to the next grade level until all tuition and fees are paid in full.**

2) Extra-curricular Activities

Local students may participate in select activities, subject to availability and "trying out" as applicable. The fees listed are for "access" to the activities in each category and are good for the time period of enrollment in the activity and expire on May 31st of each year. All fees are *non-refundable*, *non-transferable*, and due in full prior to participation in the activity.

Athletics Fee \$300.00 – includes all eligible athletic teams; football incurs an additional insurance fee of \$195.00.

Fine Arts Fee \$250.00 – includes pep band, orchestra, annual school musical, and Christmas concerts.

3) Financial Obligations

Accounts must be current for a student to have online access. Once an account becomes delinquent, the student is subject to being "locked out" of online access and possible dismissal from enrollment at ECS Online. All accounts must have the first installment payment and all fees paid prior to the start of any class. An account must be paid in full in order for students to receive a report card, transcript, participate in graduation or take new/additional courses. Extra classes must be paid in full before access is allowed. Please refer to the Parent/Student Online Handbook for additional information.

Any student currently or previously enrolled in the ECS traditional school (e.g., "bricks and mortar") must have their account paid in full prior to any online access being granted to the Online Academy. The inverse also holds true.

4) Returned Check/Late Fees

A late fee of \$30.00 will be applied to any account more than five (5) calendar days past the due date. Accounts with payments returned or rejected by a financial institution for any reason will incur a charge of \$30.00 fee per returned transaction.

5) Additional Fees

The following are fees students may incur, but are not limited to:

12th Grade Graduation Fee: All graduation requirements must be completed by May 13th to participate in the ceremony for that school year. The fee of \$200.00 is due in full on August 1, 2025, or upon enrollment for seniors starting after this date. It includes the cap and gown, diploma, and transcript fees. The graduation fee does not include announcements. For those students who will not be participating in the graduation ceremony, the fee will be reduced to \$100.00.

K5 Graduation Fee: The fee of \$40 is due in full on August 1, 2025, or upon enrollment for students starting after this date.

Transcript Fee: Included for full-time students only.

Lab Fee: The cost of such fees is the direct responsibility of the student and must be purchased directly from an ECS-approved vendor.

6) Book, e-book, and supply Fee

Each student must have their books in time for the start of school. The cost of books and e-books varies by grade level and the electives chosen. **Any book fees are the responsibility of the student.** If a student drops a class or withdraws, any remaining book fees, workbook fees, or other course-related fees will be charged immediately, as per the previously selected payment method. The financially responsible party agrees to this charge, and it is *non-refundable*. Any remaining amounts due will be charged or billed as necessary or applicable.
